

SHARE READY?

Your Freelancer Card *Checklist*

Ensure your digital card is optimized for every new connection. For freelancers, a polished digital presence is essential for converting introductions into clients.

1 Add photo, role, and WhatsApp before you share

2 One QR opens portfolio, contact, and socials

3 Premium template that looks client-ready

4 Track views, scans, and clicks

01

Professional *Profile*

Start with a clear profile picture and a concise description of your services. This sets the tone for your brand and expertise.

1 High-quality photo for freelancers

2 Clear role/services for freelancers

3 Personalized branding for freelancers

4 Track views, scans, and clicks

02

All Your *Links* in One

Integrate your portfolio, website, and all social media channels into a single, shareable card. Make it easy for potential clients to explore your work.

1 Portfolio/website URL for freelancers

2 LinkedIn, Instagram etc. for freelancers

3 No more multiple links for freelancers

4 Track views, scans, and clicks

03

Instant *WhatsApp Connect*

Enable direct WhatsApp messaging from your card. New contacts can reach out instantly without manual number entry, speeding up client acquisition.

1 Direct chat button for freelancers

2 Seamless client outreach for freelancers

3 Faster follow-ups for freelancers

4 Track views, scans, and clicks

04

QR & *Save to Contacts*

Share your card via a simple QR code. Recipients scan, view, and save your details to their phone contacts with one tap, even without the app.

1 Effortless QR sharing for freelancers

2 Recipient doesn't need app for freelancers

3 Save details instantly for freelancers

4 Track views, scans, and clicks
