

HOOK

Is your booking system *helping* or hurting your salon?

In the fast-paced world of beauty and hair, every minute counts. An outdated or clunky booking system can lead to missed opportunities, frustrated clients, and overbooked staff.

1 Lost bookings from phone tag

2 Double-booked stylists

3 Clients calling to reschedule

01

NEW: Sync to *Google Calendar*

Keep your stylists' personal and professional schedules perfectly aligned. Our NEW Google Calendar sync prevents double-bookings and ensures real-time availability across all platforms.

1 Automatic calendar updates

2 Avoid scheduling conflicts

3 Peace of mind for your team

02

NEW: Client *Self-Reschedule*

Empower your clients with the flexibility to manage their own appointments. Fewer phone calls for your front desk means more time focusing on in-salon clients and operations.

1 Reduce administrative load

2 Increase client satisfaction

3 24/7 client convenience

03

NEW: Tailored *Custom Fields*

Gather all the necessary client information directly during booking. From hair type to allergy notes, customize your intake forms to ensure your stylists are fully prepared for every appointment.

1 Personalized service prep

2 Capture specific client needs

3 Streamlined intake process

04

Automated *Notifications* & Reminders

Reduce no-shows and ensure clients arrive on time with automated email and SMS reminders. Keep your salon chairs filled and your schedule running smoothly with minimal effort.

1 Fewer missed appointments

2 Professional client communication

3 Easy setup via Setup Wizard
