Essential Digital Card Features for *Business Owners*

As a business owner, your team's networking efforts are crucial. A powerful digital card needs more than just basic contact info. Here are the must-have features.

1 Maximize Connections for business

2 Track Outreach for business

3 Save Time for business

4 Track views, scans, and clicks

01

Branded Templates: Professional & On-Brand

Ensure every team member presents a consistent, professional brand image. Choose from premium templates and customize with your logo and company colors.

1 Unified Brand for business

2 Easy Customization for business

3 High-Impact Visuals for business

4 Track views, scans, and clicks

02

Update Anytime: Always Current

Roles change, numbers update. Instantly refresh any detail on your team's cards, and everyone who has your card automatically sees the latest version. No reprints needed.

1 Zero Reprint Costs for business

2 Real-Time Updates for business

3 Consistent Info for business

4 Track views, scans, and clicks

03

WhatsApp Connect: Instant Client Chats

Make it effortless for prospects and clients to message your team directly. A dedicated WhatsApp button on your card turns scans into immediate conversations.

1 Faster Follow-ups for business

2 Direct Engagement for business

3 Trackable Clicks for business

4 Track views, scans, and clicks

04

Live Analytics: Know Your Impact

Understand how your cards are performing. Track card views, QR scans, and WhatsApp clicks to measure outreach effectiveness and optimize your strategy.

1 Data-Driven Decisions for business

2 Track Engagement for business

3 Improve ROI for business

4 Track views, scans, and clicks
