

HOOK

New Clinic Number or *Updated Specialty?*

For doctors and clinics, details change. How do you ensure all your patients and referral partners have the most current information without the hassle?

1 Paper cards become obsolete for doctors

2 Risk of patients contacting old info

3 High costs of reprinting for doctors

4 Track views, scans, and clicks

01

The Pain: *Costly Reprints* & Waste

Every time your clinic's phone, address, or a doctor's designation changes, hundreds of paper cards become useless, leading to significant waste and expense.

1 Financial drain on your budget

2 Environmental impact of waste

3 Time spent reordering cards for doctors

4 Track views, scans, and clicks

02

The Fix: *Update Anytime*, No Reprints

With Digital Card Creator, you update your digital card once, and it's instantly current across every QR scan and shared link, forever.

- 1 Zero reprint costs, ever for doctors
- 2 Information is always live for doctors
- 3 Saves time and resources for doctors
- 4 Track views, scans, and clicks

03

Problem: *Outdated Information* Circulating

Old paper cards floating around can misdirect patients or referral partners, causing confusion and potentially lost appointments or business.

1 Frustration for patients for doctors

2 Damages professional image for doctors

3 Breaks communication flow for doctors

4 Track views, scans, and clicks

04

Solution: Always *Current, Everywhere*

Your digital card ensures that anyone scanning your QR or clicking your link always accesses your clinic's most recent and accurate contact details.

1 Guaranteed up-to-date info for doctors

2 Seamless patient experience for doctors

3 Protects your clinic's reputation

4 Track views, scans, and clicks
