

HOOK

Are payment *barriers* slowing your studio?

Limited payment options can frustrate potential clients and lead to lost bookings for your fitness studio. Offering diverse, secure payment methods is key to a smooth booking experience and increased revenue.

- 1 Offer flexible payment choices
- 2 Streamline checkout process
- 3 Convert more bookings

01

Free PayPal *integration*

Immediately accept online payments for your fitness classes, memberships, and personal training sessions with our free PayPal integration. Set up is simple, allowing you to start receiving payments quickly.

- 1 Instant online payments
- 2 Secure and widely trusted
- 3 No monthly fees for core plugin

02

Flexible Cash on *Arrival*

Provide the convenience of paying in person with our cash-on-arrival option. This flexibility caters to clients who prefer traditional payment methods, especially for walk-in or pay-per-class scenarios.

- 1 Option for in-person payments
- 2 Ideal for physical locations
- 3 Simple management

03

Advanced WooCommerce & *Stripe*

For more advanced payment needs, our paid add-ons offer seamless integration with WooCommerce and Stripe. Unlock credit card processing and a full suite of e-commerce capabilities for your fitness business.

- 1 Stripe for credit cards (PRO)
- 2 WooCommerce for e-commerce (PRO)
- 3 Expand payment gateways

04

Secure & *Reliable* Processing

We prioritize the security of your transactions and client data. Our payment integrations are built for reliability, giving both you and your clients peace of mind with every booking.

- 1 Industry-standard security
- 2 Protect client financial data
- 3 Reliable payment processing
