

HOOK

Which service business are *you*?

Whether you run a tranquil spa or a busy consulting firm, your booking system needs to be as unique as your services. BookWellNow adapts to fit your specific operational needs.

- 1 Flexible for diverse service models
- 2 Designed to reduce manual tasks
- 3 Scalable without hidden costs

01

Spa & Wellness Centers

Ensure seamless transitions between treatments and give your staff essential downtime. Our new **Buffer Time** feature automatically blocks padding between appointments.

- 1 Auto-block prep and cleanup time
- 2 Ensure staff rest between sessions
- 3 Maintain a relaxed environment

02

Coaches & Consultants

Streamline your virtual sessions and gather vital client information upfront. Integrate automatically with ****Google Meet**** and customize intake forms with ****Custom Fields****.

1 Auto-generate Google Meet links

2 Collect specific client details

3 Connect with clients globally

03

Health & Dental Clinics

Prevent critical double-bookings and keep your team informed. Our new ****Google Calendar sync**** updates staff calendars in real-time, reducing scheduling conflicts.

1 Sync appointments to Google Calendar

2 Ensure real-time availability

3 Automated client ****notifications****

04

Fitness Studios

Manage multiple instructors and a variety of classes without worrying about per-seat fees. BookWellNow offers unlimited staff members and services in the free core plugin.

- 1 Unlimited staff and classes
- 2 PayPal payments for deposits
- 3 Client panel for self-management

Ready to *streamline* your bookings?

BookWellNow provides the flexible booking solution your business needs. Comment BOOK for the free plugin, or DM your industry for a free expert configuration session.

1 Discover features tailored for you
