

HOOK

Your Clinic's *Booking Checklist*

Is your current booking system keeping up with your veterinary clinic's demands? BookWellNow brings essential features to simplify operations and enhance client experience.

1 Reduce no-shows

2 Save staff time

3 Improve client flow

01

Sync to *Google Calendar* (NEW)

Prevent double-bookings and keep your team informed. Our NEW Google Calendar sync automatically adds new appointments to your staff's calendars.

- 1 Real-time updates
- 2 Prevent conflicts
- 3 Seamless integration

02

Client *Self-Reschedule* (NEW)

Empower pet owners to manage their appointments without calling your front desk. Our NEW client reschedule feature reduces admin tasks and missed calls.

- 1 Fewer phone calls
- 2 24/7 flexibility
- 3 Improved satisfaction

03

Automated *Notifications* (NEW)

Ensure clients never miss an appointment with automated reminders. Customize messages to include specific instructions for their pet's visit.

1 Reduce no-shows

2 Timely reminders

3 Custom messages

04

Buffer Time & *Custom Fields*

Ensure staff have adequate time between appointments for cleanup or preparation. Use custom fields to collect vital information like pet's name or specific concerns at booking.

- 1 Optimize schedules
- 2 Collect specific data
- 3 Personalize service
