Before: The Paper Card *Pitfall*

Imagine printing new cards every time your email changes or you land a new internship. It's costly and inefficient.

1 Costly reprints, wasted paper

2 Info quickly outdated for students

3 Easily misplaced or forgotten

4 Track views, scans, and clicks

02

Before: Missed *Connections*

After a busy campus event, do you know who actually saved your contact details, or if they tried to reach you? Probably not.

1 No direct follow-up path for students

2 Slow, error-prone manual entry

3 Zero visibility on engagement

4 Track views, scans, and clicks

03

After: Your Dynamic *Digital Card*

With Digital Card Creator, share a single QR that instantly updates your details across all connections, always current.

1 Always current profile for students

2 Eco-friendly, no waste for students

3 Professional, modern impression

4 Track views, scans, and clicks

04

After: Smart, Scannable *Networking*

One scan shares all your essential links: LinkedIn, portfolio, and direct WhatsApp, saving instantly to their phone.

1 One-tap save to contacts for students

2 Instant WhatsApp chat ready for students

3 All key links in one place for students

4 Track views, scans, and clicks
