

HOOK

Is Your Barbershop *Drowning* in Reschedule Requests?

Daily calls, texts, and DMs for appointment changes can disrupt your barbershop's flow and pull staff away from clients. It's time to streamline this process.

1 Constant phone interruptions

2 Time spent on admin tasks

3 Potential for booking errors

01

The Old Way: Manual *Chaos*

Most booking plugins, or even manual systems, require clients to contact your barbershop directly to change appointments. This adds unnecessary work for your team and friction for clients.

- 1 Staff tied to the phone
- 2 Missed opportunities for new bookings
- 3 Frustration for busy clients

02

Introducing NEW Client *Reschedule*

Our NEW BookWellNow feature empowers your clients to reschedule their own appointments directly from their customer panel. No calls, no DMs, just seamless self-service.

- 1 Clients manage their bookings 24/7
- 2 Instant updates in your calendar
- 3 Automated email confirmations

03

Benefits for Your *Barbershop*

Imagine your staff fully focused on haircuts, not fielding reschedule calls. This new feature significantly reduces administrative load and boosts operational efficiency.

1 Reduced administrative workload

2 Improved staff productivity

3 Fewer booking conflicts

04

Benefits for Your *Clients*

Clients appreciate flexibility. Offering self-serve rescheduling enhances their experience, making it easier to adapt their appointments to their busy lives.

- 1 Convenient and stress-free changes
- 2 Full control over their schedule
- 3 Increased satisfaction and loyalty

Ready to Give Your Barbershop *Control?*

Streamline your barbershop's operations and empower your clients with our NEW self-serve reschedule feature. Comment BOOK for your free plugin or DM us for a setup consultation!
