

HOOK

Make connecting *effortless* for your audience?

For influencers and creators, every new connection needs to be a smooth experience. Our digital card simplifies how your fans and collaborators engage with you.

1 Seamless experience for recipients

2 No app download required to view

3 Your profile is always accessible

4 Track views, scans, and clicks

01

Scan Your *Smart QR*

At events, brand collabs, or fan meetups, your audience simply scans your personalized QR code. It's fast, modern, and instantly opens your digital card.

1 Universal QR scan works everywhere

2 Recipients don't need the app

3 Instant access to your full profile

4 Track views, scans, and clicks

02

View Your *Curated Card*

They see your beautifully designed digital card with all your social media links, portfolio, and contact information. Your brand identity shines through immediately.

1 Showcase all social profiles

2 Professional, conversion-optimized templates

3 Reflects your unique brand for influencers

4 Track views, scans, and clicks

03

Connect & Engage Instantly

From your digital card, they can tap to follow your social channels, subscribe to your content, or visit your website directly. Turn a handshake into a loyal follower.

1 One-tap social media follows

2 Direct link to portfolios/content

3 Drive immediate engagement for influencers

4 Track views, scans, and clicks

04

One-Tap *Save to Contacts*

Make it easy for new connections to save your details directly into their phone's contact book. No manual typing, no lost info.

1 Save phone, email, and name for influencers

2 Reduces errors and friction for influencers

3 Your contact info is always handy

4 Track views, scans, and clicks

WhatsApp *Connect*

A dedicated WhatsApp button allows them to message you instantly, fostering direct communication for collaborations, queries, or fan interactions.

1 Direct client messaging

2 Boosts immediate follow-ups

3 Simplifies communication
