

HOOK

A booking journey clients will *love*

In private tutoring, a seamless booking experience is crucial. BookWellNow makes it easy for your students to schedule sessions, encouraging repeat bookings.

- 1 Boost client satisfaction
- 2 Reduce booking abandonment
- 3 Simplify scheduling for everyone

01

Choose a service

Clients easily browse your tutoring services, packages, or classes. Each option clearly displays pricing, duration, and any prerequisites.

- 1 Clear service descriptions
- 2 Transparent pricing shown
- 3 Easy package selection

02

Select **staff & time**

Students pick their preferred tutor and see their real-time availability. The calendar updates instantly to show open slots, preventing frustrating back-and-forths.

- 1 Tutor-specific availability
- 2 Real-time calendar updates
- 3 Fast slot selection

03

Quick client details

We've optimized the form for speed. Clients enter their essential information without needing to create an account, reducing friction significantly.

- 1 No account creation needed
- 2 Minimal form fields
- 3 Quick and intuitive data entry

04

Confirm & pay

After reviewing their selection, clients confirm and, if applicable, complete payment via PayPal (free core) or other gateways (PRO). Confirmation is instant.

- 1 Final booking review
- 2 Secure payment options
- 3 Instant confirmation email
