

PAIN POINT

Team changes cost your *agency* money?

Every new role, every phone number change for your team means reprinting boxes of business cards. This eats into your budget and time, creating unnecessary administrative load for agency and team leads.

1 Reprint costs add up for agency

2 Outdated cards shared for agency

3 Brand inconsistency for agency

4 Track views, scans, and clicks

01

Paper cards go *obsolete* fast

When your agency team grows or shifts roles, traditional paper cards become instant waste. Your team might even hesitate to update contact info if it means a reorder for a small change.

1 High reorder frequency for agency

2 Stale contact details for agency

3 Lost networking opportunities

4 Track views, scans, and clicks

02

Update *anytime*, globally

With Digital Card Creator, team leads can update a team member's digital card in seconds. The change applies to every shared QR and link, instantly, keeping your agency current.

1 One-time update for agency

2 All links stay current for agency

3 No more reprints for agency

4 Track views, scans, and clicks

03

Consistent *branding*, always

Maintain a unified, professional brand image across your entire agency. Every team member shares a card that reflects your current standards and messaging, effortlessly.

1 Centralized brand control for agency

2 Seamless team onboarding for agency

3 Professional every time for agency

4 Track views, scans, and clicks

04

Savings and *efficiency*

Focus your budget on growth, not reprinting. Empower your agency team to network effectively, knowing their cards are always up-to-date and impactful for every client interaction.

1 Zero reprint costs for agency

2 Increased team efficiency for agency

3 Better client first impressions

4 Track views, scans, and clicks
