

HOOK

Elevate Your Yoga *Studio Bookings*

Upgrade your booking experience with a system built for flexibility and growth. BookWellNow helps you manage every aspect of your studio schedule effortlessly.

- 1 Streamlined client journey
- 2 Reduced administrative load
- 3 Enhanced studio efficiency

01

Unlimited Potential, Zero Limits

Unlike most booking plugins, BookWellNow offers unlimited services, staff members, and bookings in our free core plugin. No per-seat pricing, ever.

- 1 No booking caps
- 2 Unlimited staff accounts
- 3 Scales with your studio

02

Lightning-Fast & Lightweight

Our plugin is engineered for speed, with a tiny footprint under 15KB. Protect your WordPress site's page speed and SEO while delivering a mobile-friendly booking experience.

- 1 Blazing-fast load times
- 2 Boosts SEO performance
- 3 Responsive on any device

03

New Features for Your Studio

Benefit from recent updates like Google Calendar sync, client reschedule (NEW), automated notifications (NEW), and a guided setup wizard (NEW).

1 Google Calendar sync (NEW)

2 Client self-reschedule (NEW)

3 Intuitive Setup Wizard (NEW)

04

Free *Expert Install* & Support

Need a hand getting started? Our team offers free expert installation and configuration. Plus, get 24/7 ticketing support with rapid response times.

- 1 Claim your free slot
- 2 Personalized setup assistance
- 3 Dedicated helpdesk support

Ready to take *bookings*?

Comment BOOK for a free plugin install and expert setup, or DM 'yoga staff count' for a tailored consultation.

- 1 Free core plugin
