

HOOK

Yoga Studio Booking: Your *Launch* Checklist

A successful booking system starts with solid setup. Avoid common pitfalls and ensure your yoga studio is ready to accept appointments smoothly.

- 1 Seamless client experience
- 2 Efficient staff management
- 3 Automated operations

01

Define Your *Services*

Clearly outline your yoga classes, workshops, and private sessions. Set durations, capacities, and pricing within BookWellNow.

1 Unlimited classes & types

2 Set class durations

3 Manage class capacity

02

Configure Staff & *Schedules*

Enter all staff members, their working hours, breaks, and holidays. Use Buffer Time (NEW) to ensure smooth transitions between sessions.

- 1 Unlimited staff accounts
- 2 Custom working hours
- 3 Buffer Time (NEW) for breaks

03

Integrate *Payments*

Enable PayPal for online payments or offer 'cash on arrival'. Soon, WooCommerce and Stripe will expand your payment flexibility.

- 1 Free PayPal gateway
- 2 Cash on arrival option
- 3 Secure payment processing

04

Automate *Notifications & Sync*

Set up automated email notifications (NEW) for bookings and reminders. Sync with Google Calendar (NEW) to prevent double-bookings.

1 Automated email reminders (NEW)

2 Google Calendar sync (NEW)

3 Reduce no-shows

Ready to take *bookings*?

Comment BOOK for free plugin + setup checklist, or DM 'yoga staff count' for a personalized setup consultation.

- 1 Free core plugin
- 2 Expert install available
- 3 <https://bookwellnow.com/>
