

HOOK

The ultimate *barbershop* booking checklist

Stop paying per-seat fees just to let clients book a haircut online on your WordPress site.

01

Unlimited barbers and *staff profiles*

Set up unique shifts, breaks, and holiday schedules for every barber on your team without paying extra.

02

Self-serve client *cancellation*

Give clients a dedicated portal to cancel or reschedule online, drastically reducing empty chairs and phone tag.

03

Mobile-friendly *booking flow*

Let clients book straight from their phones while waiting or on the go with our ultra-fast booking interface.

04

Flexible *payment options*

Accept cash on arrival or secure deposits via PayPal to protect your schedule and secure commitment upfront.

Ready to take *bookings*?

Comment BOOK and we will send the free plugin plus a setup checklist.

Comment *BOOK* to start.
