

FAST SETUP

Stop paying *per-seat booking fees*

Set up your salon booking engine on WordPress in under ten minutes.

STEP 01

Install our free *WordPress plugin*

Upload our plugin zip inside your dashboard and activate it. No complex integrations required.

STEP 02

Add all salon *services*

Create unlimited hair, nail, or spa treatments with custom durations and pricing.

STEP 03

Setup *stylist schedules*

Add unlimited staff members for free. Configure their weekly shifts, breaks, and holidays.

STEP 04

Publish your *booking page*

Drop the shortcode [bookwell_booking] on any page to show your real-time booking form.

Ready to take *bookings*?

Comment BOOK and we will send you the free plugin download link plus our salon setup guide.

Comment *BOOK* to start.
