

WHY US

Stop paying to *schedule appointments*

Most booking plugins charge you per staff member. We offer unlimited staff, services, and bookings for free.

01

Zero limits on your *spa staff*

Add your entire team of massage therapists and estheticians with custom shifts, breaks, and holiday schedules.

02

Prevent no-shows with *self-serve*

Our free customer panel lets clients cancel or reschedule themselves, saving your reception team hours of admin work.

03

Keep your site *lightning fast*

At under 15KB, our lightweight booking widget protects your website speed, search rankings, and booking conversions.

04

Free expert installation *included*

We will install and configure the plugin on your site for free, tailored to your spa's unique schedule.

Ready to take *bookings*?

Comment BOOK and we will send the free plugin plus a setup checklist.
