

HOOK

Stop chasing *fitness clients* for bookings.

Manual scheduling wastes hours and leads to empty classes.
There is a better way to manage your fitness studio.

THE BEFORE

Chasing payments and *confirming times*.

You spend your evening replying to Instagram DMs, checking trainer calendars, and sending manual payment links.

THE AFTER

Automated booking on *your website*.

Clients select their trainer, view real-time availability, and pay securely via PayPal. Your calendar updates instantly.

STAFF FREEDOM

Unlimited trainers at *no extra cost.*

Most booking plugins charge per staff member. We offer unlimited staff accounts with custom shifts and breaks for free.

GROWTH

Fewer no-shows and *more revenue.*

With self-serve client cancellations and instant confirmation emails, administrative work drops to zero.

Ready to take *bookings*?

Comment BOOK and we will send the free plugin plus a setup checklist.
