

HOOK

The frictionless *patient journey* to your clinic.

No app downloads required for your patients. They scan your QR code and connect with your clinic instantly.

01

Scan the clinic QR code

Patients scan the QR code from your front desk, waiting area, or digital screen using their phone camera.

02

View digital visiting card

Your professional profile loads instantly, displaying clinic hours, location, and consultation fees clearly.

03

One-tap save to contacts

Patients tap once to save your phone number, email, and clinic address directly into their phonebook.

04

Tap to chat on WhatsApp

With built-in WhatsApp Connect, they tap to send a booking inquiry or follow-up question without typing your number.
