

REVENUE

Stop losing *tutoring clients* at checkout

Offering the wrong payment methods turns students away. Here is how our payment stack secures your bookings.

01 / FREE

Instant *PayPal checkout* setup

Collect student prepayments safely before the lesson starts.
Available in our free version with zero setup fees.

02 / FREE

Flexible *pay on arrival* option

Let students secure their coaching slot online and pay in person.
Reduces booking friction for new clients.

03 / PRO

Stripe and *credit cards*

Accept global payment options and local card processing.
Connect WooCommerce for advanced tax and invoice tracking.

04 / WORKFLOW

Instant *booking security*

Once payment is confirmed, BookWellNow instantly emails the receipt, booking details, and auto-generated Zoom links.

Ready to take *bookings*?

Comment BOOK and we will send the free plugin plus a setup checklist.

Comment *BOOK* to start.
