

PATIENT EXPERIENCE

Stop losing *dental patients* at checkout

A clunky booking process ruins your clinic marketing. Avoid these common website mistakes.

MISTAKE 01

Forcing patients to *create accounts*

Patients want a fast checkup booking. Our guest checkout lets them book a slot in under 60 seconds.

MISTAKE 02

Slow loading *booking pages*

Heavy software kills your search rankings. BookWellNow has a footprint under 15KB to keep your site fast.

MISTAKE 03

Charging per *dentist chair*

Stop paying extra seats for every hygienist or room. Our free version includes unlimited staff profiles.

MISTAKE 04

No self-serve *appointment changes*

Phone lines jam up with simple cancellations. Let patients cancel or reschedule via their own dashboard.

Ready to take *bookings*?

Comment BOOK and we will send the free plugin plus a setup checklist.

Comment *BOOK* to start.
