Why 5,000+ creators *ditch paper cards*

Paper business cards cannot showcase your active video feeds or media kits. Here is why top creators are switching to our digital cards.

01

Stunning mobile-first *templates*

Pick a premium layout designed for conversion. Customize with your branding, social links, and portfolio in minutes from your phone.

02

Scan to *connect instantly*

Brands scan your smart QR code to open your card. They can save your contact details directly to their phone contact book with one tap.

03

Track every *link click*

See which sponsors clicked your Instagram, YouTube, or media kit. Get real-time analytics to measure your in-person outreach.

04

Zero reprint *costs*

Change your phone number, social handles, or layout once. Your digital card updates automatically everywhere without a single reprint.
