

HOOK

Is your agency *ready* for bookings?

Run through this quick five step checklist before launching your new WordPress booking system.

01

Define your *services* clearly

List your discovery calls, audits, and retainer reviews with fixed durations and clear pricing.

02

Configure consultant *schedules*

Set individual staff hours, breaks, and buffer times to prevent double bookings.

03

Connect your *Zoom* account

Enable our free Zoom integration to auto-generate unique video links for every scheduled meeting.

04

Test the *checkout* flow

Enable PayPal or cash on arrival to ensure client payments process smoothly during booking.

Ready to take *bookings*?

Comment BOOK and we will send the free plugin plus a setup checklist.

Comment *BOOK* to start.
