

TEAM POWER

Unlimited staff, zero seat limits!

Unlimite *Staff members*

BookWellNow lets you add as many staff members as your business needs, with no hidden per-seat pricing or caps.

No extra fees for adding new team members

Manage individual schedules efficiently

Scale your team without impacting booking costs

Flexible Staff *Shifts* Management (Free)

Our plugin provides robust, free tools for managing each staff member's availability, ensuring accurate scheduling and preventing double-bookings.

BEFORE

The old way

- ✗ Set custom working hours for each staff member.
- ✗ Schedule breaks and lunch times.
- ✗ Mark specific holidays or special non-working da

AFTER

With BookWellNow

- ✓ 24/7 WordPress booking
- ✓ Staff shifts
- ✓ Customer panel

02

Quickly *Duplicate* Staff Members

Save time when adding new team members with similar schedules. Our duplicate feature makes setup a breeze.

01 Duplicate existing staff profiles from the admin list.

02 Adjust specific details like name or contact info.

03 Rapidly onboard new hires with pre-set availability.

04 Free unlimited staff means no per-seat pricing ever.
