

01

Client Self-Service

24/7 *online booking*

BookWellNow's free customer panel empowers your clients to view their booking history, manage their profile, and even cancel appointments directly from your website. It's available 24/7.

[Follow BookWellNow on Facebook](#)[Unlimited staff in the free core](#)[Comment your business type](#)

Manage*Appointments*

Once logged in, clients can easily access their personal dashboard to see upcoming bookings, review past services, and update their contact information. This puts them in charge.

BEFORE

The old way

- ✗ Follow BookWellNow on Facebook
- ✗ Unlimited staff in the free core
- ✗ Comment your business type

AFTER

With BookWellNow

- ✓ 24/7 WordPress booking
- ✓ Staff shifts
- ✓ Customer panel

03

Flexible *Access*

Set up an optional WordPress user account for clients upon booking, or allow guests to cancel appointments using a unique link sent in their confirmation emails.

01 Integrates with existing WordPress user accounts.

02 Option to create a WordPress user for new clients automatically.

03 Guests can cancel via the ``%cancel_appointment_link%`` in booking emails.

04 Embed the customer panel with the ``[bookwellnow_customer_panel]`` shortcode.
