

INSTANT MEETINGS

Get *connected* with Zoom

0

manual links to generate

Automatically create unique Zoom meeting links for every online service booking. Save time and ensure every client gets the right link without effort.

For online coaches, tutors, and clinics

Fully integrated into your WordPress site

Auto-generates unique Zoom links

01

Simple *Setup*

Connect your Zoom account using our Server-to-Server OAuth flow in Settings > Integrations. Assign Zoom users to staff and enable Zoom for specific services.

01 Connect Zoom in Settings > Integrations

02 Use Server-to-Server OAuth for secure linking

03 Assign a Zoom user to each staff member

04 Enable Zoom meetings per service offered

Effortless *Meetings*

Once set up, BookWellNow handles the rest. Clients receive their unique Zoom link in their confirmation emails and can join directly from their customer panel.

01

Admin View
Quick access to "Start Zoom" for their meetings

02

Client Access
Join meeting link in email and panel

03

Professionalism
Consistent, reliable meeting access

04

Time Savings
Eliminate manual setup for every session
