

SIMPLIFY VIRTUAL APPOINTMENTS

Automate your *Google* Meet links.

24/7 *online booking*

For online services, automatically generating meeting links is essential. BookWellNow PRO now creates and sends Google Meet links directly to your clients, just like our free Zoom integration.

Instant meeting links for clients

Reduce manual setup time

Professional virtual experience

Hassle-free virtual meetings

With BookWellNow PRO, setting up Google Meet for your online services is straightforward. Once enabled, every scheduled online appointment automatically gets a unique Google Meet link, sent to both you and your client.

BEFORE

The old way

✗ PRO: Configure in Settings > Integrations

✗ PRO: Connect your Google account

✗ PRO: Automatic link generation for online servic

AFTER

With BookWellNow

✓ 24/7 WordPress booking

✓ Staff shifts

✓ Customer panel

02

Focus on your service
