

GET THE INFO YOU NEED

Add *extra* custom fields to your forms.

24/7 *online booking*

Sometimes, the standard booking form isn't enough. BookWellNow PRO allows you to add extra custom fields to gather specific details, essential for preparing for each unique client appointment.

Collect critical client data

Tailor forms to your business

Streamline your intake process

Tailored client intake

While our free version provides a robust Form Fields page for basic details, BookWellNow PRO lets you create additional custom fields. Ask about specific preferences, medical history, or project requirements right from the booking form.

01

Collect Pet Breeds
Essential for pet groomers.

02

Ask Injury Notes
Critical for physical therapists.

03

Get Hair Color Formulas
Perfect for salons.

04

Gather Specific Needs
Tailor to any unique service.

02

Prepare **for every client**

By collecting detailed information upfront, your staff can arrive fully prepared for each appointment. This PRO feature reduces pre-appointment back-and-forth and enhances the client experience.

01 PRO: Improve service personalization

02 PRO: Reduce pre-appointment questions

03 PRO: Ensure staff have all necessary details

04 PRO: Available with BookWellNow PRO
