01

PRO Multiple *Quantity* Bookings

With BookWellNow Pro, clients can book more than one spot in a single transaction. This is ideal for families, groups of friends, or anyone needing to reserve multiple places for a class or event.

01

Group Booking

Clients can book multiple spots at once.

02

Family Friendly

Ideal for families reserving class slots.

03

Efficient Checkout

Simplified process for booking multiple quantities.

04

Time Saver

Reduces admin work for group reservations.

02

PRO Maximum *Capacity* Controls

Prevent overbooking your popular classes or workshops. BookWellNow Pro allows you to set a maximum capacity for each service, ensuring you never exceed your limit and always provide the best experience for your attendees.

01 Define a maximum number of attendees for each service (Pro feature)

02 Automatically block bookings once capacity is reached

03 Prevent overbooking for popular classes

04 Real-time availability updates for clients
